

28 swimmers from the Scenic City Aquatic Club competed in the Southeastern Championship Meet in Knoxville, TN July 22-25. Southeastern swimming is made up of over 30 teams from all of Tennessee, all of Alabama, and the pan handle of Florida.

Scenic City 14 & under swimmers placed 9th and was the highest scoring team from the Chattanooga area. 13 swims beat an old team record time during the meet.

Scenic City Meets Coaches Goal: Entering over 30 swimmers in the championship meet was a goal that the staff set earlier this season – Scenic City achieved this goal and placed 9th in the large team division (30 or more swimmers entered). Plan for Southeasterns February 2011 and help Scenic City enter more swimmers and place higher!

“Scenic City swimmers had a great showing this year at southeasterns. This is one of the largest groups we have had competing at our summer championship meet. I am proud of how everyone swam and represented our club. Great things are in store for Scenic City Aquatic Club”

Coach John Woods

“Wow-what a weekend. Swimming championship meets is a test of character – Learning how to win like champions and how to persevere through adversity. This is a great group of swimmers and it was a blast working with them this summer.”

Coach Roger Dahlke
